TAX RETURNS AND AUDIT DEFENSE

NADN provided tax return preparation and audit defense services.

Many customers provided financial information in the preparation of those tax returns in form of canceled checks, prior year tax returns, and other documents. We will make every effort to return those documents to you. We hope to have procedures in place by the end of June. Please check this website regularly to obtain your documents.

Audit Defense

No support is currently available for audit defense. You are advised to contact a tax attorney to assist you in an ongoing audit.

Please do not contact the Bankruptcy Court, the Office of the United States Trustee, the Clerk's office or the Trustee regarding tax returns or audits.
